

The Lofts at The East End

NOW PRE-LEASING

Luxury living every day.

Living at The East End means waking to a sun-drenched, loft-style apartment, with exposed brick and historic architecture. It's the perfect combination of urban views and community connectivity, in the heart of Akron's up-and-coming business and social center.

Our brand new, luxury lofts take urban living at The East End to the next level. Residents can enjoy all the East End offers- a cold drink at the brewery, a concert at Goodyear Theater and walkable, cozy streets just 5 minutes from downtown Akron. And we've added something new.

The Lofts includes upgraded apartment finishes and a modern, private lobby with vintage touches and areas to meet up with friends, family and coworkers. The building also includes shared amenities like a food market, bar area (serving beer and wine), conference space and an outdoor terrace. No matter the weather, enjoy The East End's state-of-the-art fitness center and golf simulator. As a resident, you also have access to a community room, dry cleaning drop-off and a barbershop.

The Lofts features various layouts to accommodate the unique architecture of the building. Choose from one bedroom, one bathroom or two bedroom, two bathroom options.
